“I don’t think SNITZEL can do much more. He is one of the most sought-after stallions in the country and his service fee has been set at $88,000 this season.” - trainer Stuart Kendrick.

This filly in my opinion snuck under the radar at the Magic Millions sales earlier this year. She is a very athletic type but was just a little immature. She has now been broken in and had a month’s work at the track. The filly breezed up a furlong before she went for a spell and showed terrific speed. She’s very exciting and will come back into the stables at the beginning of October and be aimed at the Magic Millions. She reminds me of TYPING last year and she developed into a stakes winning two-year-old.

SNITZEL was not only a sensational sprinter, winning the Group 1 OAKLEIGH PLATE, but has also proved he is of the highest quality as a stallion. He has sired no fewer than 299 winners from 444 runners and 30 stakes winners. These include the Cox Plate winner SHAMUS AWARD, SIZZLING, SWEAT IDEA, our top sprinter that has now gone to stud TIME FOR WAR, SNITZERLAND, HOT SNITZEL and the boom horse racing at Royal Ascot in WANDJINA.

The filly is out of the the ROYAL ACADEMY mare WATCH MY LIPS. She has had three foals to race for three winners and two city class horses. Her second dam is MARDI’S MAGIC who was a very good two-year-old, winning one of the Golden Slipper lead-ups in the Magic Night Stakes. She has had seven foals to race for six winners and is a half-sister to the dam of RACING TO WIN. The family is full of quality and this filly has the pedigree and looks to follow in their footsteps. I am going to keep a share myself as I think she is an absolute steal.
